

Position

Project Associate at Ecosan Services Foundation, Pune

Company profile

Ecosan Services Foundation (ESF) is a section 8 non-profit company (Companies Act, 2013) established in 2006 with the support of the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) and in association with the Innovative Ecological Sanitation Network of India (IESNI). ESF is a state government recognized Key Resource Centre and is continuously striving hard to promote sustainable sanitation and water management.

Our vision is to promote ecological sanitation and sustainable sanitation practices along with efficient water & waste water management practices in India. With cross-cutting knowledge and experience; we work closely with the public and private sectors. Since the inception of this company, we have gained extensive experience in capacity development, awareness raising, research & development projects and consulting in the sustainable sanitation field in South Asia. Innovative courses on sustainable sanitation followed by a participatory, cross-institutional and interdisciplinary approach enabled to win the prestigious "Best NGO in water education 2007-2008" award by Water Digest in association with UNESCO – IHE and many other accolades.

Project brief

ESF has been selected to implement a project on entrepreneurship development "Innovation in Sanitation Services Delivery" by Department of Science and Technology, Government of India. ESF along with Amanora Education Foundation is implementing the project under the program named cewas South Asia.

It is a two years project with a pre-defined target of enterprises to be launched in the field of ecological sanitation. The aims and objectives of the project are in alignment with Swachh Bharat Mission and helps making available basic sanitation services to the last denominators of the society.
